## Bolivia

During the services held at the ladies' prison in Cochabamba, six were baptized and five were filled with the Holy Spirit! Later, at the men's prison, thirty-three were baptized in Jesus' name! A local Bolivian pastor, Nicolas Felipe, travels constantly as a circuit preacher to several local towns and cities. With the Bible school students' help he set up the tent and had several revival services. As a result, six received the Holy Spirit and five were baptized in Jesus' name. A man named Feliciano was baptized at the Bible school; a 72-year-old man who speaks Quechua. The day he was baptized, he was in much pain suffering from shingles. His body was covered in blisters, and he had difficulty moving. The day after he was baptized, his shingles were gone and his skin had no evidence of being blistered! His family was so impacted by his testimony that they wanted Pastor Nicolas to go to their home and have services! Family and friends

came from neighboring villages, filling a dump truck with thirty people. Brother Feliciano had started to build a large event hall behind his home to make money renting it out for weddings and parties. The contractor did not finish the job and the money ran out. In that building with just walls, a metal roof and a dirt floor, we had a weekend revival where five received the Holy Spirit and one was baptized in the freezing lake nearby! Great things are taking place in Bolivia, thanks to your prayers and giving!

## Norway

For nine years, the Nordic countries have been coming together for a "Breaking the Chains" conference in Oslo, Norway. This conference is a huge time of inspiration and has now attracted people from numerous other European countries. This year was exceptional with fourteen people receiving

the Holy Ghost! There was a special move amongst the children with numerous children receiving the Holy Ghost. One night church went from 6:30 until after midnight, and no one was in a rush to leave. Bless the Lord and you, for supporting Global Missions and the Nordics!

## Lesotho

After ending a house service with prayer in their living room, my language teacher's fourteen year old daughter wistfully spoke and said, "I would really like to have the Holy Ghost. I don't know when it will happen." I told her we can definitely pray again! After a quick Bible study, we began to pray once more and she was joyfully speaking in tongues! What a beautiful sight and sound! Your prayers are making a difference!
