## Hungary

In the month of February, with the help of the Lord, we have purchased a building in Budapest for the Bible school and church services. The building has a great location, and we are thankful for it! Many souls will be touched by Jesus in the new church building. All of you who gave financially, prayed, fasted, and believed with us that it will happen, we say thank you! You made the best investment possible because you have invested in the Kingdom of God.

## Andorra

The following is a brief testimony written by one of our new converts in Andorra: I'm from a Catholic family who believe that God created the world, mankind and creation exists on it and He rose from the grave after three days. That's all I knew and I thought that's all there was! In 2011, I started attending Christian church services. I didn't see any changes in my life attending

another denomination. So, I just consider it as a routine thing to attend and nothing more. In 2012, I opened a restaurant which took away any time I had for church. During the first year it did work well, but then the figures went down and I couldn't pay the business' expenses. I lost nearly everything material. I became very depressed and felt hopeless. I didn't know where to go or what to do. I started to attend services and Bible studies. I started from the very beginning. I had peace of mind and I believed everything would be fine. To no surprise, the Lord came through. It's never too late to repent and go back to Jesus. He had plans for me and for us. "Man shall not live by bread alone, but by every word that proceeds out of the mouth of God". Set aside time for our Lord Jesus because He will provide what you need! I'm so thankful for Pastor Beebe and his family and the Pentecostals of Andorra which was established through their efforts. We have the church

where we could unite and worship the Lord Jesus. It was and is indeed a blessing to us here in Andorra.

## Samoa

This is revival! With thirty-one in attendance and two baptisms, God is proving himself faithful and doing mighty things in the uttermost parts of the earth! Please continue to keep us and New Zealand in your prayers as we work daily to bring the Gospel to this wonderful nation!

## Ukraine

We have worship night on Saturday and Sunday we have our usual service. Seven people received the Holy Spirit in these services! We also prayed for some people for deliverance and healing. We will expect great testimonies from them of what the Lord has done!
